

In order to ensure that your registration goes smoothly, we've created this document to show you the steps that you will need to take in order to begin using the new IPMI.ORG and your account.

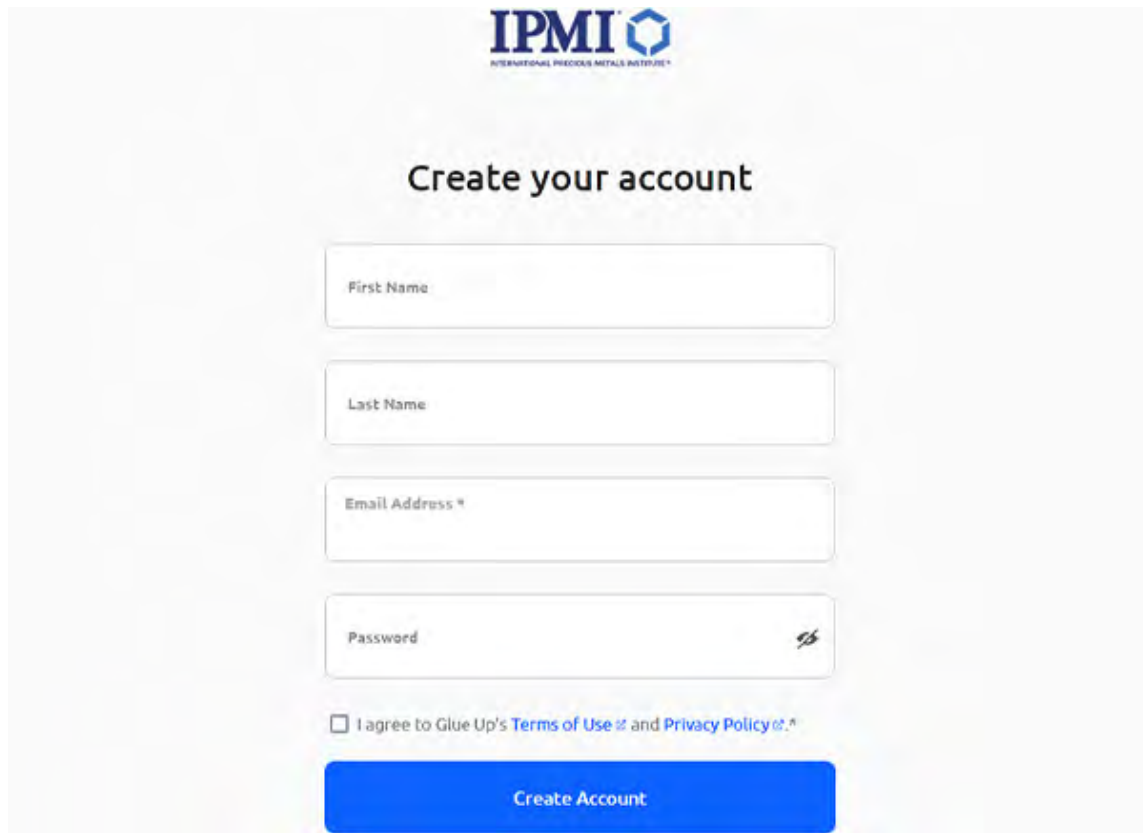

STEP 1: Go to ipmi.org, and click on the 'Register' link in the top-right of the screen.

STEP 2: On this screen, enter the email address that you used on the old website. Check 'I Agree' and click 'Continue'.

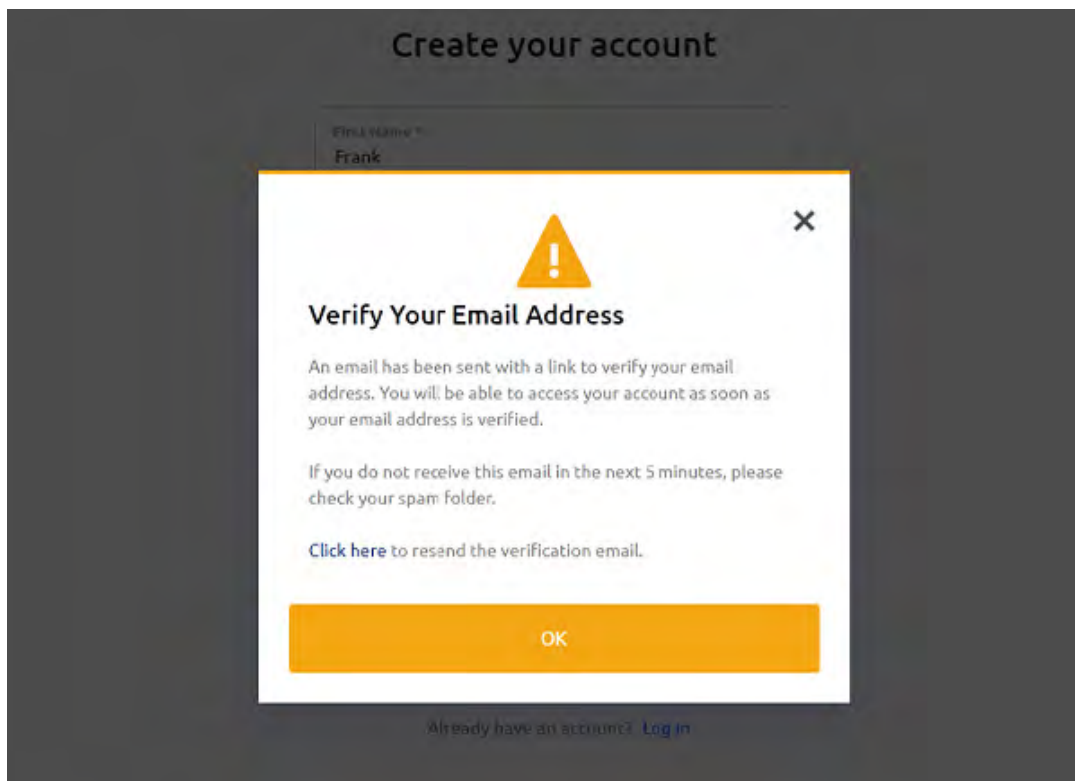

STEP 3: Fill in your first & last name, and the email address that you used on the old website. Then choose a password (This can be anything that you want, it doesn't have to be the same as the old website, but that's up to you).

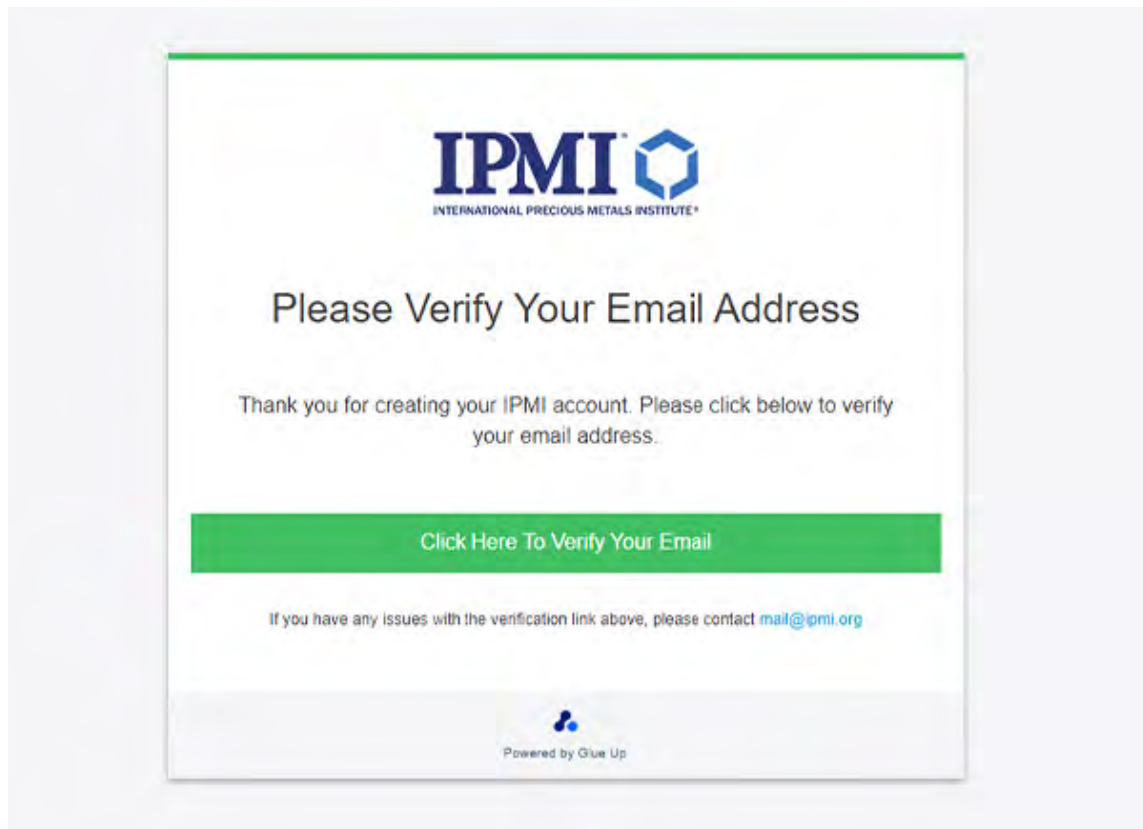

The image shows the IPMI (International Precious Metals Institute) account creation page. At the top is the IPMI logo. Below it is the heading "Create your account". The form consists of four input fields: "First Name", "Last Name", "Email Address *", and "Password". Below the "Password" field is a checkbox with the text "I agree to Glue Up's Terms of Use and Privacy Policy". At the bottom of the form is a blue button labeled "Create Account".

STEP 4: Once you click 'Create Account', you will get a pop-up saying that a verification email has been sent to your email address. Go to your email inbox, find the email that was sent.

The image shows a pop-up window titled "Verify Your Email Address" overlaid on the account creation page. The pop-up has a yellow warning triangle icon and a close button (X) in the top right corner. The text inside the pop-up reads: "An email has been sent with a link to verify your email address. You will be able to access your account as soon as your email address is verified." Below this, it says: "If you do not receive this email in the next 5 minutes, please check your spam folder." There is a link that says "Click here to resend the verification email." At the bottom of the pop-up is a yellow button labeled "OK". In the background, the "Create your account" form is visible, with the "First Name" field filled with "Frank". At the bottom of the background page, there is a link that says "Already have an account? Log in".

STEP 5: Once you have found the email that was sent to your inbox, click the green button to verify your email address. A new window will pop open after you click this button.

STEP 6: The window will pop open and you will find yourself logged into your account on the new website. If you have any questions, please contact Sandra at mail@ipmi.org
